Email Address	fred@thewebster.ca	
First Paragraph	This is a cross between a Bichon Frise and a Miniature Poodle. This is a very good cross for people who have severe allergies. These are 100% non-shedding. I have had customers who were never able to own a dog because of allergies, who now are owners of this breed.	Layout # 3
Second Paragraph	Buddy was Born April 24th, 2003 and was brought home from Petneeds in Burlington on June 1st of the same year. He has been a 'best friend' to my wife and makes us all laugh. The funniest thing is the squirrel antics... squirrels and chipmunks.. Buddy goes crazy and tries to catch them.	Layout # 4
